To look at completing financing for the patient in a timely manner, please have the patient fill out the form in full and sign the bottom.

If resources are available at the branch, and they have enough notice (30 minutes sufficient), they can have somebody come to the clinic to process an application.

(Application time if it's a new client to ATB can take 30-40 minutes).

Once the form is complete, you can e-mail directly to ifriesen2@atb.com

Or you can fax it to the branch: 403-974-5843.

In addition to the form attached, could you please let the bank know what dollar amount or what level of financing is required.

Thank you,
